

Hey there! Last month did you  
**RECYCLE RIGHT,**  
**RECYCLE MORE!**    
with the Blue Crew paper challenge?

Here's an idea to help you recycle more this month —

Try recycling every soft cardboard box from different rooms in your house. I'm talking cereal boxes, toothpaste boxes, laundry product boxes... you get the idea!

**I know you CAN recycle MORE...thanks for doing your part!**
